## PERUNA Made Me a Well Woman

No sufferer from catarrh of the stomach can read Mrs. Van Buren's letter without a feeling of thankfulness.

"I have spent a great deal of money with doctors for catarrh of the stomach and at times have been compelled to give up my housework for days. For years I did not know what a well day was and cannot help but feel that I would not be alive to-day had I not been induced to try Peruna. Six bottles of Peruna made me a well woman."

## Farm Department

N. D. GUEBRY, Editor.

One of the latest hog feeding tests that has been reported to me was conducted by Mr. Frank King. He put up 9 hogs that averaged 98 pounds each, which at the market price of 15 cents were worth \$152.30. He fed 60 bushels of corn at \$1.50 worth \$90 also \$10 worth of tankage and \$6 worth of cotton seed meal. He charged \$6 for water and \$14 for labor making a total of \$126.20.

The hogs sold for 17.50 cents and brought \$312.18. After subtracting the total cost, he

made a profit \$53.68.

If you will figure the other way after subtracting the cost of tankage, meal and first value of the hogs he got around \$2.30 for his corn.

Will mail out checks for molasses as soon as we can figure them all up.
